10 STEPS YOU CAN TAKE TODAY

**Want to take charge of your health, wellness, and success?
Here are 10 steps that can move you closer to your goals – today.**

- Get rid of negative and disempowering thoughts. Instead, focus on my strengths and how to improve my skills.
- Pay attention to my peer group. Consider finding a new one with people who can challenge, influence, and mentor me to become better.
- Find out what my strengths are with [StrengthsFinder 2.0](#). Knowing my strengths can help me determine how to be more productive in the workplace.
- Get to know my personality type in detail with the help of [Myers-Briggs](#) and [DiSC](#). These tests can give me information on how external and internal factors affect me as a person.
- Determine what influences me to take action with the [Kolbe Assessment](#). This will help me understand how I handle to do lists from little tasks to big projects.
- Use these tests on job applicants and existing employees. This will help me decide where they fit in my company based on their strengths and personalities.
- Find a mastermind group that will help me reach my highest potential. Share it with others to help more people work on self-improvement.
- Prioritize self-love, self-worth and self-acceptance this year.
- Show up with a powerful intention to important events in my life. Believe in the law of attraction where a powerful intention gets a powerful outcome.
